## SUMMER INTERNSHIP EVALUATION FORM

Faculty: Medicine, Year: 4

Duration: 4 weeks (120 hours), ECTS: 4, including:  
2 weeks (60 hours), Scope: Pediatrics; 2 weeks (60 hours) Scope: Surgery

Practical skills	Learning outcomes	Points (0-1 point)*	Confirmation of completion by the internship supervisor (stamp and signature)
<b>Pediatrics (2 weeks, 60 hours)</b>			
Knowledge of the work regulations and sanitary and epidemiological regulations in the children's ward and the organizational connections of the ward with the out-patient health care.	E.U20		
Medical interview with the child and their family.	E.U2		
Principles of nutrition of a healthy and sick child.	E.U25		
Assessment of the child's health condition and their psychomotor development.	E.U9 E.U10 E.U13		
Physical examination of a child.	E.U4		
Recognition of the conditions of immediate threat to the child's life.	E.U14		
Proper diagnosis and differentiation of the most common diseases in children, with particular emphasis on the assessment of hydration and acid-base balance.	E.U12 E.U16		
Proper interpretation of the results of laboratory tests	E.U24		
Simple procedures under the supervision of a doctor, e.g. collecting material for diagnostic tests, cannulation of peripheral veins, drip infusion, injections.	E.U28 E.U29		
Participation in ward rounds and broadening knowledge of the rules of keeping patient records for particular diseases.	E.U38		
Participation in multi-specialist consultations	E.U32		
<b>Total number of points:</b>		<b>/11 pts</b>	
<b>Assessment of practical skills</b> <i>(made by the Internship Coordinator in the place of the internship):</i> <b>Grading scale:</b> very good (5.0): 10-11 pts, good (4.0): 8-9 pts, satisfactory (3.0): 6-7 pts, unsatisfactory (2.0): < 6 pts			

\*0 points: lack of skill or incomplete skill; 1 point: complete skill

## Social competences and professionalism

Feature	Points (0-1 point) *
Punctuality	
Involvement	
Conscientiousness	
Use of medical terminology	
Case presentation and discussion	
Team work	
Planning	
Compliance with the rules of ethics	
Image (e.g. badge, apron)	
Communication with patients	
<b>Assessment of social competences and professionalism</b> <i>(made by the Internship Coordinator in the place of the internship)</i> <b>Grading scale:</b> very good (5.0): 9-10 pts, good (4.0): 7-8 pts, satisfactory (3.0): 5-6 pts, fail (2.0) (< 5 pts)	<b>Total:</b> <span style="float: right;"><b>/10 pts</b></span>  <b>Grade:</b>

\*0 points: student does not behave or act professionally; 1 point: student behaves and acts professionally

**I hereby confirm that the Student has completed a summer internship in accordance with the internship program and in the scope indicated in the internship program.**

*(to be completed by the Internship Coordinator in the place of the internship)*

*Place of doing the internship (stamp of the medical facility).....*  
 .....

*Date.....Stamp and signature of the Internship Coordinator.....*

**Student self-evaluation** of the skills acquired during the internship .....

**Student self-evaluation** of the acquired social competences .....

*(grading scale from 1 to 5: 1 = unsatisfactory, 2 = poor, 3 = satisfactory, 4 = good, 5 = very good)*
